

PanCareFollowUp
is an EU-funded project
looking at how to best
deliver survivorship care
to survivors of childhood
and adolescent cancer
in Europe.

What will PanCareFollowUp do?

- ✓ Develop and test the **PanCareFollowUp** person-centred Care and Lifestyle interventions based on state-of-the-art knowledge of survivors' needs
- ✓ Test the feasibility of the Survivorship Passport
- ✓ Help to spread the Care and Lifestyle interventions across Europe
- ✓ Communicate to survivors and their families, researchers, healthcare professionals and policy makers

PanCareFollowUp has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 824982.
